COVID-19 Requirements for Eligible Family Members

To ensure compliance with an applicable preliminary nationwide injunction, which may be supplemented, modified, or vacated, depending on the course of ongoing litigation, the Federal Government will take no action to implement or enforce the COVID-19 vaccination requirement pursuant to Executive Order 14043 on Requiring Coronavirus Disease 2019 Vaccination for Federal Employees. Therefore, to the extent a Federal job announcement includes the requirement that applicants must be fully vaccinated against COVID-19 pursuant to E.O. 14043, that requirement does not currently apply. Federal agencies may request information regarding the vaccination status of selected applicants for the purposes of implementing other workplace safety protocols, such as protocols related to masking, physical distancing, testing, travel, and quarantine. If selected for the position, the agency will provide you additional information.

For Eligible Family Members who will be employed on a Personal Services Agreement and compensated under the USG pay plan, if selected for the position, the agency will provide you additional information regarding COVID-19 safety protocols and requirements.

Candidates who will be employed on either a Personal Services Agreement or a direct hire appointment and compensated under the Mission's Local Compensation Plan will be required to follow all Mission COVID-19 policies applicable to Locally Employed Staff. If selected for the position, the agency will provide you additional information regarding these requirements.
