

## Job Specification: Community Liaison Manager

Department:	Programmes
Scale:	PSM 3
Line managed by:	SMiC
Responsible for line managing:	National Staff
Location:	Maiduguri, Nigeria

---

### MAG's Vision is a safe future for women, men and children affected by violence, conflict and insecurity.

People will live in communities where their rights are upheld, with dignity and choice and free from fear from mines, explosive remnants of war (ERW) and the impact of small arms and light weapons and ammunition.

**MAG's Mission is to save lives and build safer futures.** We will use our core skills and distinctive competence to save lives through the removal of mines and ERW, and reduce the impact of small arms, light weapons and ammunition on people and communities. How we do this is as important as what we do – we work primarily with and for communities, for us 'it's all about people'.

---

### Job Purpose:

To assist the Senior Management Team to ensure that MAG's approach to community participation in mine action is integrated into the planning and implementation of programme activities.

To undertake the management, training, assessment and monitoring of Community Liaison (CL) staff and activities in the field and recommend improvements to the Country Director (CD) / SMiC (Senior Manager in Country), Project Manager (PM) and Regional Programmes Manager (RPM) where appropriate.

To manage CL resources and be responsible for the gathering and dissemination of relevant and accurate information to enable informed decision making, maximisation of impact and the achievement of MAG's vision, mission and key aims.

---

### Job Description

#### Technical

- Provide research and analysis of relevant socio-economic data in order to help prioritise social target groups and geographical areas for Community Liaison activities: Explosive Ordnance Risk Education (RE), Non-Technical Survey (NTS), Impact Assessment (IA) and liaison for land release.
- Plan, prioritise and coordinate all CL activities in order to achieve maximum community participation and understanding during all stages of clearance activities.
- Maintain regular liaison with the SMiC to coordinate the deployment planning for CL teams, exchange information on operations, assess tasks from survey to completion and plan support to land release activities when required (non-exhaustive list).
- Plan CL activities efficiently to ensure project outcomes are met in a cost-efficient manner benefiting to the donor, beneficiaries and affected communities in general.
- Advise on safe and effective management of all aspects of CL and related tasks in the country of operation, in accordance with relevant IMAS, MAG Standard Operating Procedures and guidelines, and ensuring that these are consistent with MAG's policies and mandate.
- Set a Quality Management (QM) system and tools to assess needs in capacity building in CL-related topics (including but not limited to RE, NTS and impact assessment activities) to plan and deliver training accordingly.
- Plan and conduct relevant training activities for national staff where required, including EO Risk Education, participatory learning techniques, communication skills and facilitation skills.
- Monitor and evaluate the on-going performance of CL and EORE activities by national staff in the field.
- Develop good capacity in the use of MAG Global Operations Management Information System to collect data and analyse information for reporting, strategic planning and impact assessment purposes.

- RE: Assist in the design and implementation of programmes to mitigate the risk communities living with explosive ordnance face (including both child and adult-oriented risk education programmes)
- NTS: Ensure non-technical survey activities follow due process, adopting an evidence-based approach, using tools at your disposal accurately and following safety measures in place.
- IA: Coordinate among operations the impact assessment of MAG's activities on communities and other relevant stakeholders. Where appropriate, design and apply relevant measurement tools and indicators. Ensure the capture of data on the outcomes and impact of MAG's work and the communication of this data to relevant internal and external stakeholders.
- Assist in the design and implementation of programmes to mitigate the risk of living with remnants of conflict (including both child and adult-oriented risk education programmes)
- Coordinate the on-going evaluation of benefits MAG's activities have on communities and other relevant stakeholders. Where appropriate, design and apply relevant measurement tools and indicators. Ensure the capture of data on the outcomes and impact of MAG's work and the communication of this data to relevant internal and external stakeholders.
- Assist and support the development of the country programme strategy, plans, proposals and budgets with regards to CL training and operations in line with MAG's mission and mandate
- Conduct assessments, including on-site interviews with beneficiaries, and other technical missions on behalf of MAG as required.

#### Communication and Reporting

- Conduct on-going liaison with all relevant stakeholders (government, INGOs, national NGOs, mine action centres, health care providers etc.) and establish and maintain networks for information exchange.
- Where MAG is implementing CL via implementing partners, ensure regular and cordial partnership relations.
- Assist in proposal writing and budgeting.
- Provide clear and accurate reports for donor and HQ purposes.
- Provide to MAG HQ case studies and oral testimonies of the variety of experience of living with conflict and remnants of conflict.
- Conduct research, develop and maintain an understanding of MAG's CL approach and its evolution. Where required, undertake recording and documenting of CL resources (photographs, reports, EORE materials, etc.)

#### People Management and Capacity Building

- Direct, supervise and manage CL team leaders and CL teams as required.
- Coordinate and build capacity of implementing partners.
- Build and maintain good working relationships with all national staff to maximise results and objectives.
- Build and sustain acceptance and commitment for work in line with humanitarian principles and standards.
- Be a team player: work collaboratively and inclusively to manage and develop both your own and other teams.
- Assist with the recruitment and selection of national CL staff.
- Ensure Job Descriptions for CL staff are up to date and in line with MAG standards.
- Set objectives to MAG CL staff according to their positions and conduct appraisals of CL and any other line reports in line with MAG procedures.
- Plan and conduct relevant training activities for national staff where required, including RE/NTS/IA, participatory learning techniques, communication skills and facilitation skills based on continuous training needs assessment.

#### **All International staff are expected to undertake the following general duties:**

- Work within the framework of MAG's core values, promoting its ethos and mission statement.
- Work towards achieving programme and/or department business plan objectives
- Ensure familiarity with and adhere to all MAG policies and procedures and keep informed of MAG activities
- Undertake and apply learning from appropriate training and development programmes.
- Undertake role in developing countries and areas in conflict where standards of living may be basic.
- Undertake the role in a manner appropriate to the cultural context and within the local legal framework.
- Understand and uphold the standards outlined in MAG's Safeguarding Framework, acting with due care and attention to safeguard the wellbeing of anyone that comes into contact with MAG's work and reporting concerns if they do arise.

This is a non-contractual document that can be varied from time to time as circumstances dictate. This job description is intended to summarize the main duties and responsibilities of the post; this is not intended to be a full and exhaustive list of tasks. All MAG staff are expected to demonstrate flexibility and willingness to perform appropriate tasks when the need arises.

Some Job Descriptions may be supplemented by specific Terms of Reference.
