

REQUEST FOR EXPRESSIONS OF INTEREST

“Recruitment of Senior Local Drupal Developer”

AFRICAN DEVELOPMENT BANK
Avenue Joseph Anoma, 01 B.P. 1387, Abidjan, CÔTE D'IVOIRE
Corporate IT Services Department (TCIS)
E-mail: IT_Recruitment@AFDB.ORG

1. The African Development Bank hereby invites Individual Consultants to indicate their interest in the following Assignment: **Senior Local Drupal Developer**.
2. The main objective of the assignment will be to provide technical assistance in the development, pages, and sections design, maintenance, and support of African Energy Portal (AEP), a Drupal-based portal, managed by the Power, Energy, Climate, and Green Growth (PEVP) Complex of the Bank. The consultant will be required to gather and analyze requirements, program all or selected components of the actual portal, propose pages and section design, document components, and applications. The selected Individual Consultant will be a mobile application developer that will design and create the mobile app as well as implement web services on the portal to be linked to the application

The consultant' duties will include the following:

- Anticipate the department requirements, implement additional feedback and data gathering mechanisms where required.
 - Select and use appropriate tools and techniques to provide interfaces to new and existing portal modules and advise the department on technical matters relating to such interfaces.
 - Assist in the implementation of SharePoint Online for Document Management and projects, which includes feature configuration, data migration, and training
 - Liaise with the department on all aspects of application creation, from fundamental principles to implementation details.
 - Provide guidance and assistance to the department staff in any aspect of program design, creation, testing, and documentation.
 - Train and ensure proper knowledge transfer to the department staff
 - Provide full documentation, all source codes, and all development artifacts upon completion of the assignment.
 - Help improve the Portal Search Engine Optimization (SEO), particularly with the use of Google Adwords
3. **Required skills and qualifications:**
 - Master's degree or equivalent in computer science, software development.
 - Must be a citizen of AfDB member countries permanently **residing in Abidjan**, Cote d'Ivoire, at the time of the application.
 - Must hold at least a Master degree or equivalent in computer science, software development.
 - Must possess at least five (5) years of experience in web and mobile application development, including graphics, layout, scripting, programming, etc. with the following skills:
 - Expertise in Drupal (Module Development and Theming)

- Expertise in web services using Drupal
 - Practical experience in HTML5 tools, JavaScript, CSS, SQL, graphics creation, multimedia creation.
 - Good knowledge of Microsoft SharePoint
 - Strong knowledge of mobile applications deployment
 - Solid understanding of navigation and GUI for maximizing usability.
 - Strong knowledge of image manipulation software (Photoshop)
 - Good interpersonal skills.
 - Excellent written and oral communication skills.
- Good knowledge of guidelines for website accessibility

4. The **Corporate Information Technology Services Department (TCIS)** invites Individual Consultants to indicate their interest in providing the above-described services. Interested Consultants shall provide information on their qualifications and experience demonstrating their ability to undertake this Assignment (documents, reference to similar services, experience in similar assignments, etc.).
5. The eligibility criteria, the establishment of a short list and the selection procedures shall be in conformity with the Bank's procedures for the acquisition of consulting services funded by the administrative or capital expenditure. Please, note that interest expressed by a Consultant does not imply any obligation on the part of the Bank to include him/her in the shortlist.
6. The duration of services is **06 months** and the estimated starting date is **20 February 2023**.
7. Interested Individual Consultants may obtain further information at the address below during the Bank's working hours: from 08:00 to 17:00 hours, Abidjan Local Time.
8. Expressions of interest must be received by email at the address below no later than **Wednesday, 08 February 2023 at 16:00 hours, Abidjan local time** and specifically mentioning "**Recruitment of Senior Local Drupal Developer**".
